FedEx Access Competition

Human Resource Team

**FedEx Access Competition**

Identify a need in your community. Plan and execute an event or activity that addresses this need around these four (4) criteria of FedEx Access;

1. **Driven by innovation** - Fresh, original ideas are more important than ever in today’s global knowledge-based economy. Has your company shown it can translate ideas or inventions into a good or service that creates value—will customers pay for it?

2. **Connecting to new markets** - Some companies have barriers when they are building a global supply chain or trying to export their products. Is your business operating across borders whether reaching out to a nearby town or around the world for sourcing or distribution?

3. **Fueling community development** - Small businesses are drivers for job growth and economic development, increasing wealth and prosperity. How did your company create jobs and economic growth in your community or other communities?

4. **Sustainability and social responsibility** - The ability to address environmental and social impacts is essential in today’s business climate. How is your company MEASURING ITS IMPACT—and to GIVE BACK?

Service to others is the rent you pay for your room here on earth!

---

To participate your company should demonstrate all, or as many of the following 4 criteria:

- **Report**
- **Environmental Survey**
- Photos of your team at work (include a group photo)

**TIMELINE**

MAY 1 to MAY 29

2020

Final Report Submission – Please email the following documents to hr.jace@ja Jamaica.org
